

HVRA Swap Meet and Auction, Saturday, February 20

I want to begin by thanking Mr. and Mrs. Harris for welcoming us back to The Ice House, 8746 Lipan Road, Houston, 77063, for another fun event. This is a mom & pop business and I hope you will make it a point to attend and show your support. This will be our fourth event to be held there. They have been wonderful hosts! Plan to arrive for the swap meet that will be held in Electronic Parts Outlet's rear parking lot 3753 Fondren Rd., starting at 8:00 AM. Auction set up inside Mike's Ice House (directly across the street from the parking lot) will begin as soon as they open for business around 10 AM. There will be estate items in the auction as well as those brought by members. As in previous events there will be drawings for door prizes. Lunch will be served at noon with a choice of menu items – specials are their delicious burgers – I know, they are great! Here is your chance to chow down, enjoy a beverage, sit back and enjoy the auction that will start between 1 and 1:30 PM. Please do not park on the grass; use the parking area or EPO's rear lot where the swap meet was held.

Please select your lunch from the menu provided so that meals can be prepared in time for the noon lunch break. **Pay for lunch on site.** Please complete the attached form and mail to: HVRA, P.O. Box 31276, Houston, TX 77231-1276, or e mail copy to www.werz1943@gmail.com. Deadline for registration is midnight Feb. 15. Remember, COVID – 19 still is with us, wear your mask, keep safe distance from others, and wash hands often. Don't become a victim!
